

Things are looking good...

“Employment of accountants and auditors is expected to grow faster than average for all occupations through the year 2014. An increase in the number of businesses, changing financial laws and regulations, and increased scrutiny of company finances will drive growth. In addition to openings resulting from growth, the need to replace accountants and auditors who retire or transfer to other occupations will produce numerous job openings in this large occupation.”

The Direction & Guidance You Need

Whether you choose to work in public practice, private industry, government, non-profit, or education, the LCPA wants to be there for you from the very beginning. As a student member of the LCPA, you'll benefit from having a strong, professional organization behind you that offers the guidance and direction you need to build a bridge to your future.

Here's what you get for your annual college student membership dues of only \$25.00:

- A one-year subscription to *Lagniappe* – Published nine times a year, the LCPA's member magazine brings you the latest technical and professional developments along with legislative updates. This publication keeps you informed about what's happening in the profession and serves as an excellent reference tool.
- Access to the LCPA's Job Referral and Résumé Service – This free service makes your résumé available to potential employers.
- \$300 Becker Tuition Voucher – Use this discount off the full four-part course tuition of the Becker CPA Review Program, either Live, Online or CD self study review course format.
- Affiliation with the state's premier organization of accounting professionals – your involvement in a major professional association shows peers and potential employers that you're committed to your career.
- A professional staff at your fingertips – Have a question about the CPA profession and don't know where to start? Simply give us a call on our toll-free number and our friendly staff will gladly lend a hand.
- A Free T-Shirt – Designed to let everyone know you're an LCPA member.

LCPA offers student membership to any student who is:

- Enrolled in a Louisiana university or college working towards the 150-hour requirement to become a CPA, or
- Enrolled in an Uniform CPA Exam preparation course, or
- Sitting for the Uniform CPA Exam
