

LCPA 2023 Public Service Award Call for Nominations

LCPA is seeking nominations for the **LCPA 2023 Distinguished Public Service Award**. The award is the highest honor for public service leadership, impact, involvement and innovation of a Louisiana CPA. Help us spotlight a CPA who is dedicated to giving back to the community.

AWARD CRITERIA

Public service award recipients are chosen based on the following:

- **Leadership** The positions the candidate has held and any substantial accomplishments during those terms
- **Impact** The impact the candidate has made on the community, as well as the number of people and/or animals who benefited from the candidate's activities
- **Involvement** The number of hours the candidate devotes to community service
- **Innovation** Whether the candidate has done something truly different or outstanding or if the contribution by the candidate is unique in any way

HONORING OUR CPAS AND SERVICE ORGANIZATIONS TOGETHER

The award winner will be selected by LCPA's Communications & Public Relations Committee and announced at LCPA's Annual Meeting. As part of the state award, the Society presents a cash donation to the charity of the recipient's choice. This is great recognition for the winner as well as the organizations for which the CPA volunteers!
